Our new Peony, Hosta and Daylily selections are outstanding! Come visit and treat yourself to a stroll around the gardens and see the Art Gallery while you plant shop. Vermont is showing its eco-green side more than ever and we are proud to be a part of the movement toward sustainability! We use and sell ecologically-safe products that are good for the earth as well as the gardener. It is important to feed the soil and not just the plants—our soil mixes contain Vermont Compost and are super-charged with organic amendments. We are also happy to talk with you and advise about the products and plants that we carry.

Love your garden! Gary & Sarah Milek

IN ADDITION TO UNUSUAL PERENNIALS AND HERBS, WE ALSO CARRY:

- Products to discourage deer, slugs, groundhogs, squirrels and voles.
- Fertilizers, pest management products and non-chemical herbicides.
- VEGETABLE and HERB SEEDLINGS on sale as long as they last.
- White cedar raised-bed frames in three sizes—ideal for vegetable gardening!
- We also accept our own pots back, which we will wash and re-use.

BECOME A CIDER HILL GREEN GARDENER—Earn plant shopping credits with every plant purchase and be eligible for special promotions and member events. Sign up for a free membership card on your next visit to the gardens.

CIDER HILL GARDENS AND GALLERY HOURS

May–July: Open daily 10–6 • **Aug–Oct:** Open 10–6 Thurs–Sun, Closed Mon–Weds
Nov & Dec: Open 10–5 Fri–Sun, and by appointment.

Cider Hill is the creation of nationally-known artist Gary Milek and gardener-herbalist Sarah Milek. Gary’s botanically correct watercolors are painted from Sarah’s gardens nestled in the hills of Vermont. Their complementary arts blend to make Cider Hill Gardens and Gallery a uniquely beautiful destination for gardeners and art lovers, alike. Their vision is to delight your senses and increase your love for the whole earth’s garden.

To view Gary’s work, visit GaryMilek.com

We’re easy to find! Cider Hill is 2 1/2 miles from the traffic light in the center of Windsor, where you turn onto State Street. At the end of State Street, continue up the hill to Hunt Road—do not bear right toward the hospital. When you think you’ve gone too far, you’re almost there! Look for our sign on the left.
